To Whom It May Concern:

I am writing in reference to Docket No. 2006-107-W/S. I would like to request a hearing in Spartanburg County in Spartanburg, South Carolina. I would like to attend a hearing regarding proposed water and sewer rate increases that will affect the River Forest subdivision, however, I would not be able to travel to Columbia, South Carolina to do so. Thank you for your consideration.

Sincerely,

  
Tammy Brevard
